STARS

- ☉ High verbal ability, learns quickly, hard working, practical, reticent, quick to anger, long-lived.
- ♁ Natural affinity for roles of authority, has organizational ability, love the arts.
- ♁ Has strong likes & dislikes, courageous & adventurous, a lot of travel, money problems, divorce possible.

ASPECTS

More than average intelligence, personal popularity, and social prestige. Artistic inclinations. Happy marriage with good expectations of prosperity. Love of change. These factors are overshadowed by a tendency to look on the dark side of things because of the strong, adverse position of Saturn in the horoscope.

HOUSES

- 1- Industrious, patiently persistent, and self-controlled; this ensures success. Self-confident because of sound, practical ability. Shrewd but morally stable.
- 4- Family life tends to be an important factor in personality development as well as being the center of your major interests. Even financial benefits come from this source: profit from land and houses, and inheritance.
- 5- Love of pageantry & social occasions well marked with consequent attention to

Houses (Cont.)

amusement and pleasure. Personal charm arouses opposite sex. Music and drama have strong appeal.

- 6- Too much mental activity may cause difficulty. Liable to overtax physical resources. Intermittent problems with subordinates may cause worry, but unnecessarily because they respect you. Their respect is an important factor in ensuring your success.
- 7- Temperament and an ~~instability~~ inconstancy in affairs of the heart may create difficulties in marriage, and consequent estrangement. Romantic element in these matters (love) are to the foreground of your thoughts.
- 8- Fluctuation in financial prospects, but marriage usually brings gains. Money often comes from totally unexpected sources.
- 9- Love of change may dominate thoughts and mental alacrity. Tendency toward a loving existence. Excellent capacity for propaganda.

Saturn as the handle of the bucket type indicates deep satirical skill, as well as an incisive pointing and psychological soundness. The handle has not risen to the vertical position, so that the temperament leans to the conservative side, discouraging giving ~~the~~ full rein vent to creative talent. The east ~~to~~ single ton configuration shows the compulsion which her mind exercises upon her, marking a response to intellectual trends of her day.

The second page is a little hard to read, as you can see. The last paragraph says:

Saturn as the handle of the bucket type indicates deep satirical skill, as well as an incisive pointing and psychological soundness. The handle has not risen to the vertical position, so that the temperament leans to the conservative side, discouraging giving full vent to creative talent. The east singleton configuration shows the compulsion which her mind exercises upon her, marking a response to intellectual trends of her day.
